

Join APIC and the Texas Department of State Health Services for a free, live one-day NHSN Training course –exclusive and customized for Texas healthcare professionals.

Ensure you have the competencies to protect patients and advance your institution’s infection prevention program. Why attend the program:

- Gain access to critical information on NHSN enrollment, data collection, data entry, and audit process.
- Receive valuable APIC resources and discounted APIC membership.
- Prepare to comply with new federal and Texas state requirements.
- Learn how to properly classify healthcare-associated infections.
- Receive **8 contact hours** and/or a certificate of attendance (no additional cost).
